Dear Parents,

URGENT- TRAFFIC DiSRUPTION outside Gate 5 * and threat to public safety *

Greetings! Today was very disappointing to see dangerous disruption to traffic and safety of students caused by some of our parents, who had either blocked the road or had parked wrongly and / or dangerously . Please note that the Facilities Manager of DESS has been given authorization by Dubai Police to take pictures and upload to the dedicated police website which will entail fines between AED 500/- ~ AED 600/-. Please remember that the safety of the children and pedestrians is a priority as is the importance of not causing a traffic hazard. Please be advised against the disruption that was witnessed today .

Thank you

School Management
