IMPORTANT NOTE FOR SCHOOL GROUP VISITS:

To ensure a much smoother experience this year, we have introduced the following measures:

RSVP Scheduling: Schedule your slot in advance to avoid waiting in queues and enjoy a more personalised visit. Complete the School Group Registration Form to RSVP for your school group's visit.

Capped Attendance per Slot: Only a limited number of schools will be scheduled per time slot, so your students can have more one-on-one discussions with universities. A dedicated Najah School Group Concierge will call you to confirm your school's slot.

Priority Booking: First-come, first-served basis for reserving a slot, to ensure a fair opportunity for all schools to book.

Better On-Event Experience: We have increased our staffing at each event and introduced a new system to ensure smooth entry and exit from the venue for school groups.

Schedule your visit now! Don't miss out on the opportunity for your students to connect with top universities worldwide.
