

**ST. MARY'S** *Catholic High School, Dubai*

# BOOK FAIR

In an effort to cultivate an abiding love for reading in our children, we are very happy to announce that St. Mary's Catholic High School, in collaboration with DC Books, one of the largest book sellers in the region, is organising a book fair on school premises.

**Date: 21-23 November 2024 (Thursday - Saturday)**

**Venue: School Library**

**Time: School hours**

**Please note:**

- Students will be given time to go for the book fair and buy books on Thursday and Friday.
- Primary students (1-6) will be visiting the book fair with an accompanying teacher. They will be provided with an envelope next week, on which parents can mention how much money is enclosed, seal it and send it with the child. The children can pass this to their teacher for safekeeping.
- Parents may send money with the older children for this. They will also be given a chance to browse and purchase books if they wish.
- Please note that we expect the children to be careful and responsible with the money they bring.
- On Saturday, 23rd November, we will be having our first PTM and parents are invited to visit the book fair and get books for themselves or their children.

**Lets open new horizons for our children, one book at a time!**
