# ARE YOU READY FOR EXPO 2020?

**041 DAYS LEFT!**

Dear Educators & Parents,

Less than 50 days to go before we can welcome you, your families and your schools at Expo 2020 Dubai. Until then, here's how you can start planning for your free journeys and getting your students and children ready for the school trip of a lifetime!

## FIRST THINGS FIRST!

It's never too early to start planning your school's visits to Expo 2020.

The first thing you'll need to do is register your school coordinators. While school tickets are free, your coordinators will still need to make and manage your school's bookings with the Expo School Programme team.

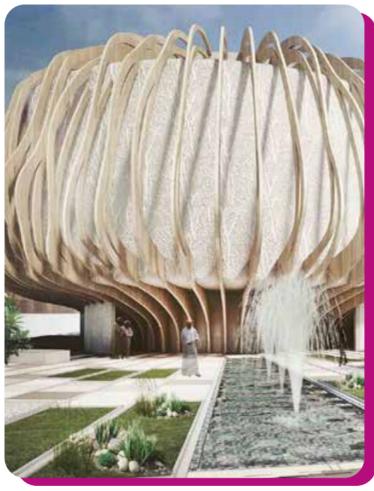

Please click below for a step-by-step guide on how you can re-register your coordinators and plan your school's visits.

## HELLO WORLD!

Did you know that Expo 2020 is the first world Expo where each participating country will have its own pavilion? For a glimpse of what's in store, check out this **video** and a few of the country pavilions taking part.

### OMAN PAVILION

Journey through thousands of years of progress in this pavilion, which pays tribute to Frankincense, Oman's 'gift to the world'. Resembling the tree that produces this precious resin, the inside details its diverse applications from medicine to food and cosmetics.
